Small discussion around the tree lighting. Over all went very well.

Issue with Quench running out of coffee and hot chocolate in the first 15 minutes. Out and gone from event at 6:15pm.

Need to email Jim Hess and see if we can get the event info on the Town Calendar that is mailed out.

Need to work on the Tree lights for 2019. ¼ of lights not working. Town mentioned doing something to assist us. Either fix the tree or add additional lights.

Consider changing the lights on the star – to make it brighter!

Meeting adjourned at 8:45 am.

See you all next year!
